A LOOK INTO THE LIFE

Identification

Name: Jason Turner
Age: 18
City: Oglethorpe
Future Destination:
NBA

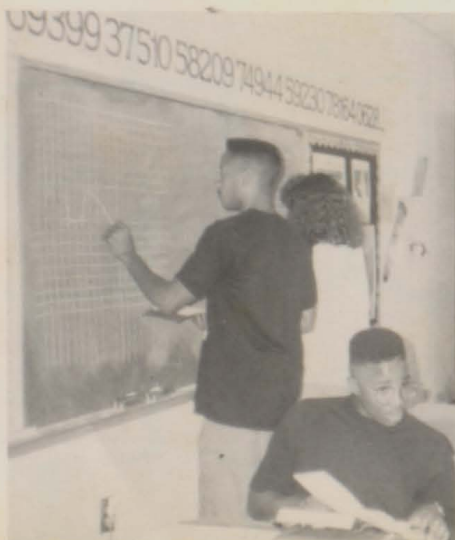

The yearbook staff thought it would be fun to take two "TYPICAL" MCHS students, and follow them through a day. Two separate personalities and interests — yet — classes, homework, activities and friends all make for a very nice Bulldog Life.

Should I wear this?

Are we seeing double?

THE YEAR IN SPORTS

Macon County High School is on its way to another successful year in sports. There are several sports students can participate in: golf, softball, basketball, tennis, track, and football. In 1991-92, we hope the winning tradition of the Bulldogs will continue. GO DOGS!!!!

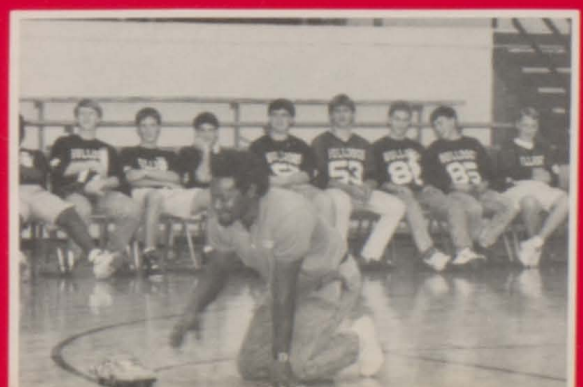

They've got BULLDOG FEVER!!!

I think I got it . . .

TOTAL RECALL

ACADEMICS IN EFFECT

MCHS has always prided itself in its rich academic tradition. Students at MCHS work hard to achieve their goals. MCHS has numerous academic activities: debate, academic bowl, and literary events.

CB&T adds to the encouragement of good academics by spotlighting worthy students. CB&T also spotlights the teachers for their hard work.

THE YEAR IN FADS

Caught in the act!

As we entered the 1991-92 school year, new fads burst on the scene, sag and rayon shirts became extremely popular. In the area of hairstyles, the most popular style was the use of small gold ornaments.

1991-92 was a prosperous year in movies and music. New Jack City and Boyz N' The Hood were two very popular movies. Three new groups (Color Me Badd, Firehouse, and Boyz II Men) each had two hit singles.

TOTAL RECALL

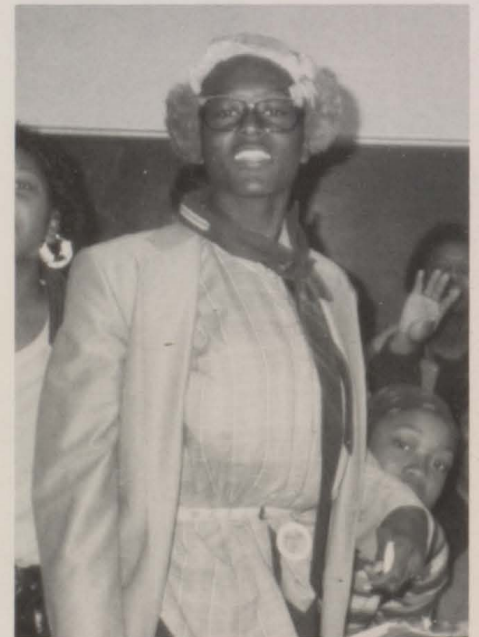

THE YEAR IN ACTIVITIES

Definitely Nerd Day!

At Macon County High School, students get involved in several activities. The yearbook staff also held a yearbook assembly in order to encourage students to buy yearbooks. For eight years, student council has been involved in bringing voting booths to the school and sponsoring dress-up day.

MCHS held an assembly honoring Mr. Jack Fokes. Mr. Fokes is retiring from his position as Superintendent of the Macon County Board of Education. Mr. Fokes will be missed.

TOGETHERNESS

"FRIENDS"

There are no others like them,
They take the time to give their care,
They comfort others in pain,
But never once do you hear them complain,
It is true, they are rarely found . . .
Because friends are truly one of a kind.

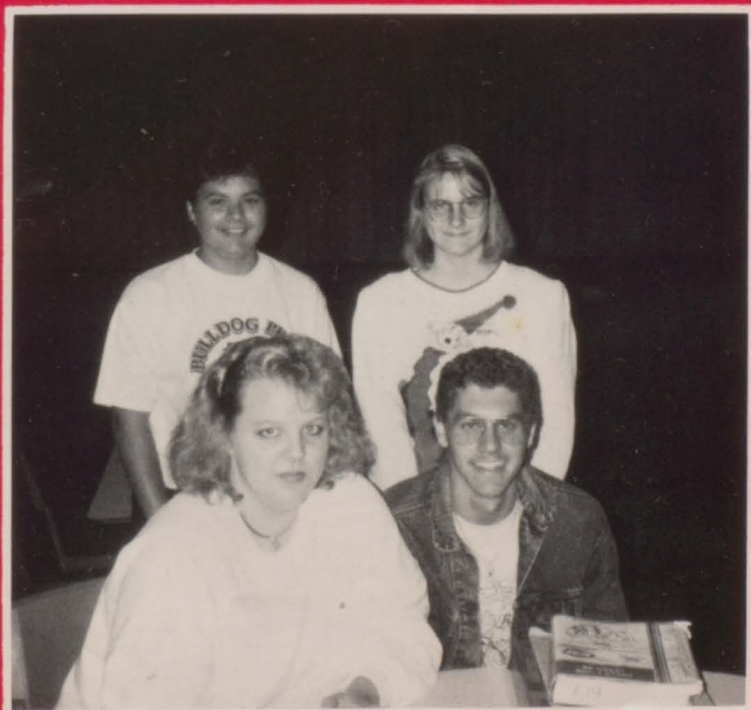

Boyz II Men in effect!

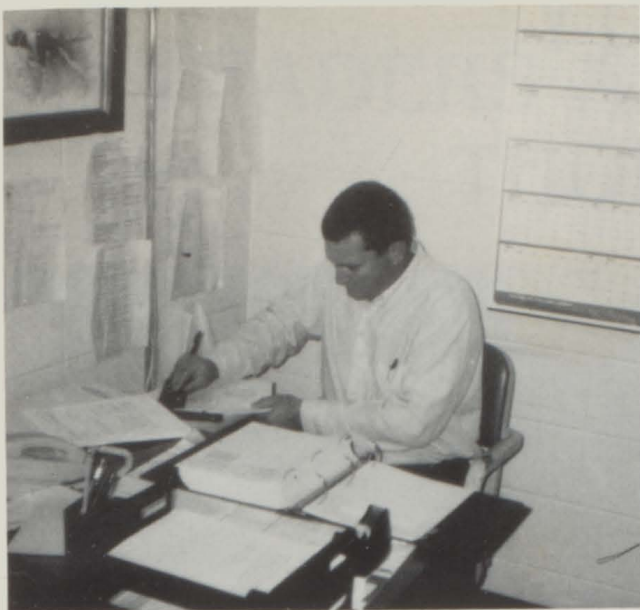

Smiles!

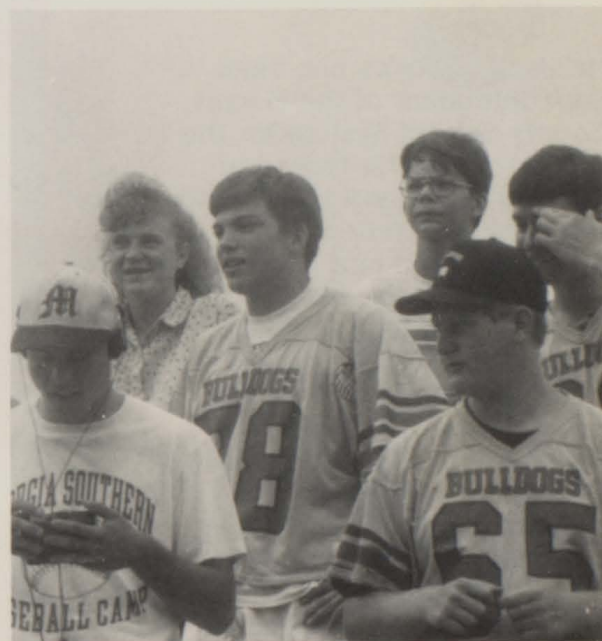

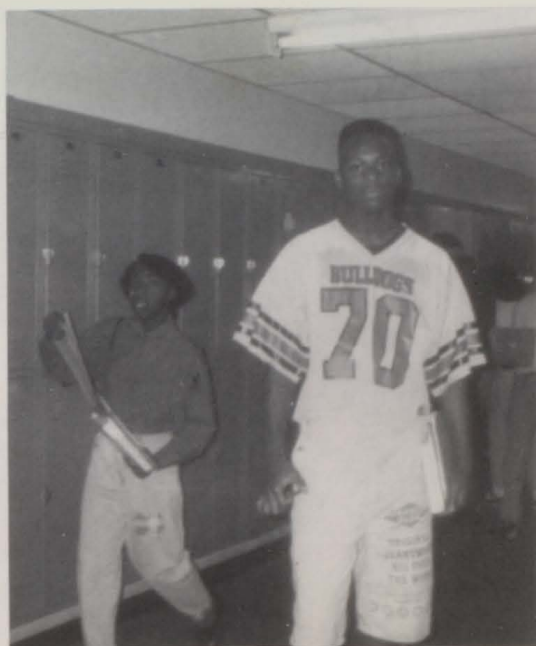

BULLDOG PRIDE

TOTAL RECALL

In the 1991-92 school year, the mighty bulldogs met many challenges. With 'Total Recall', MCHS believes that we have achieved much and that much success lies before us.

FACULTY SPOTLIGHT

Mr. Jack L. Fokes has been Superintendent of the Macon County School System for the past 31 years. He retired in January 1992, and left behind a record of excellence. Mr. Fokes believed in a good education for all students. He also was responsible for guiding the operations of the school's programs.

Under his direction, the Macon County School System prospered. WE take this occasion to honor him for his long years of public service.

Thank you for a job well done.

MR. JACK L. FOKES
SUPERINTENDENT
1960-1992

LEADERS AND FOLLOWERS IN

BOARD OF EDUCATION

Ambrose Felton, Hosie Waters, Jack Fokes, Don Oliver — Chairman, Eria Johnson, Michael McDonald, Allen Head

As I enter into the superintendency of the Macon County School System, I face this challenge with great optimism. I believe that educational opportunities for students must be ready and willing to take advantage of these opportunities in order to benefit from them. I challenge each student to perform to the best of his or her ability in pursuing a quality education and to remember that education is the key to a successful and meaningful life.

Over the years I have seen the vast majority of MCHS graduates turn out to be good citizens. They are well educated and well disciplined to go into the world that awaits them. I think our Seniors of '92 will do very well in their chosen fields. Congratulations to a very fine group of young adults.

BULLDOGS ARE #1

To me . . . Becoming Homecoming Queen was a marvelous opportunity to represent not only my senior class, but the entire school body and I thank them for that honor.

Olivia

Becoming Homecoming Queen gives me the opportunity to represent Macon County High School in more ways than one. It is voted upon by the entire student body, which is greatly appreciated. Most of all it is an experience that will never be forgotten.

Keshia,
First of all words alone can't possibly convey my love for you. What started out as a simple friendship has evolved into something very genuine, and I can honestly say you are my reason for living. Everyday we're not together gives me an opportunity to think about how far we've come together, and as I reflect back a young man as myself couldn't be any happier. Loving you has been the easiest thing in the world for me to do. I want you to always remember that I will cherish our love forever, and never take it for granted. If words on my paper speak out, You could hear me say, "I LOVE YOU KESHIA N. ANDERSON WITH ALL MY HEART." I wish you the best of luck in all your future endeavors.
Congratulations

Editors Note

Julayaun Maria Waters

It was definitely an honor to be chosen as this year's editor. The completion of the yearbook required long hours and dedicated workers in order to complete this difficult yet challenging task. I would like to personally thank the following people: Mrs. Jo Campbell, Miss Stacey Duncan, Coach Peaster, Mr. Dave Ziegler, Nicole Perkins, Lakia Osborne, Keisha Wishop, and everyone else who contributed to the success of the '91-'92 BULLDOG.

I hope that the student and faculty body will enjoy this yearbook as much as I have enjoyed putting it together. The goal of the yearbook staff was to capture several of the special moments in '91-'92. Since this was my SENIOR year in high school, I will forever treasure this Macon County High School annual. Thanks to the whole student and faculty body for making this year the most memorable for the annual staff and myself.

Best Wishes
Maria

RESERVED FOR

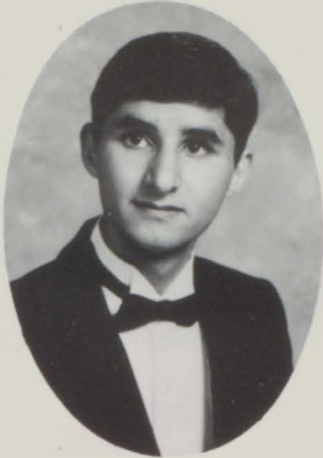

Jeremy:

You came into our lives like
a mighty hurricane
We thought you were going
to drive us totally insane
You wouldn't be still or listen
to what we had to say
You were so independent and
had to do it your way
But the years have flown away
like leaves in the wind
And now you're a graduate . .

high school almost at an end
We wish you luck in all you
do as you travel down life's
road Just keep you're mind
and heart on track so you
can carry your own load.

Love,
Mom, Dad & Rebecca

If Ever

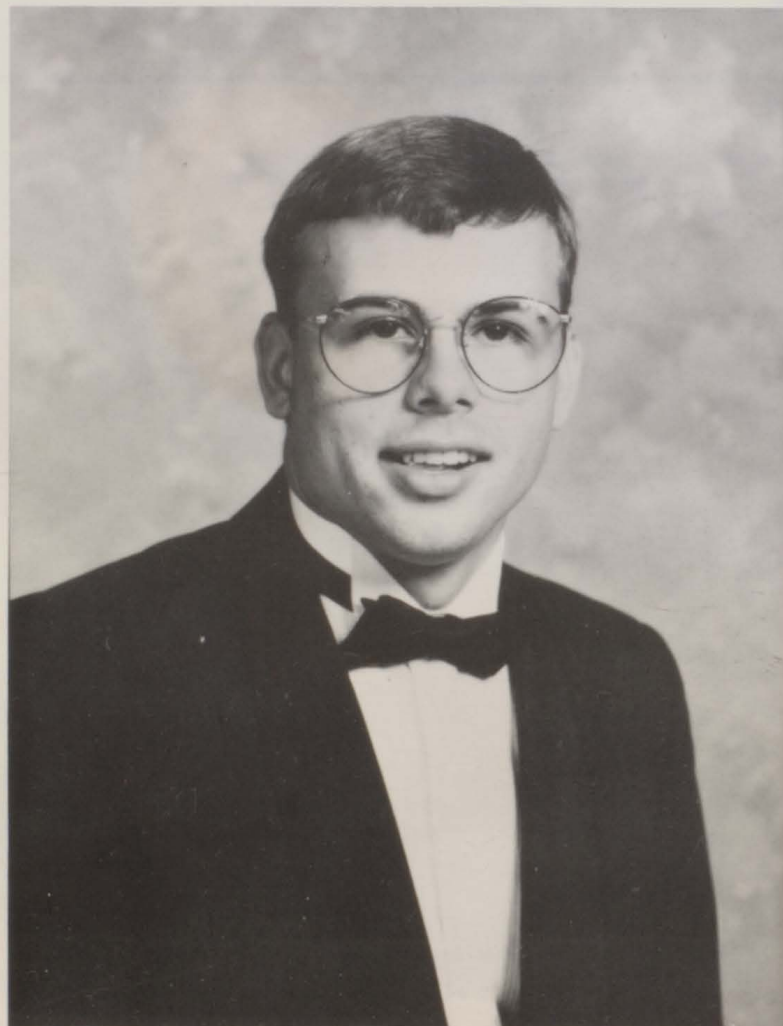

If ever you wonder what purpose
life holds,
Remember: you are unique.
If ever you think of quitting
because it's too hard
to go on,
Remember: you're not alone.

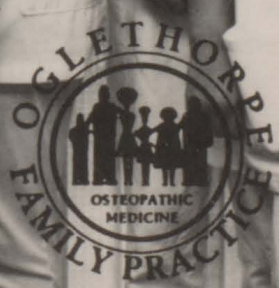

If ever you ponder what con-
tribution you can make,
Remember: there's only one
you.
If ever you're hurt when
friends disappoint you,
Remember: to forgive and
forget.

If ever you're tempted to
do the wrong thing,
Remember: the Golden Rule.
If ever you're overcome with
grief,
Remember: to lean on your
friends.

If ever you want to reach
for the stars,
Remember: they're not too
high.

Love,
Mama, Daddy,
Allan And Michael

CONGRATULATIONS NEQUEVA

Our Wish For You Is . . . Be All That You Are. You have been planted here. The world is yours to enjoy . . . o expand . . . to go wherever you want. Life is the gift you have been given. Love is the blessing you can feel. It is all around . . . the flowers . . . in the trees . . . in the meadows . . . on the mountain tops. Give yourself a chance. Give yourself some time to know who you are, to become all that you already are. Accept the gifts of a new day. Be a part of every person who says hello. We are all just hearts . . . alone and together beating . . . to the music inside, fulfilling our ambitions, finding our places in the wonder of the universe. More than to hope in yourself, may you believe in yourself. Take your own hand on your own journey. In the quiet you will hear the voice of wisdom. In the stillness you will realize your deepest dreams. And in your heart you will know how deeply you are loved.
